## 1. Login:

To login, you should be an already registered user. If you are a new user, select register. If you are an already registered user, login using the following steps:

- Enter **Username** in the format xxxxxx@uic.edu. Example: drajan3@uic.edu
- Enter **Password** which you had used to register the first time.

The screenshot shows a web browser window displaying the QuizApp login page. The browser's address bar shows the URL <http://131.100.200.94:8080/f15g109/quizapp/08Login.jsp>. The page has a dark grey header with the QuizApp logo on the left, the text "QuizApp" in the center, and "IDS517 Enterprise Application Development Online Quiz Application - f15g109" on the right. Below the header is a dark grey navigation bar with links for "Database Access", "User Guide", and "Database logout". The main content area is titled "Login Page" and features a "Sign In" form. The form has two input fields: "UserName" and "Password", both with asterisks indicating they are required. Below the fields is a "Submit" button. Underneath the form is a link that says "Are You a new user ? [Register here](#)". The footer of the page is dark grey and contains the text "© Copyright QuizApp".

Select **Login** button to continue to the next page.

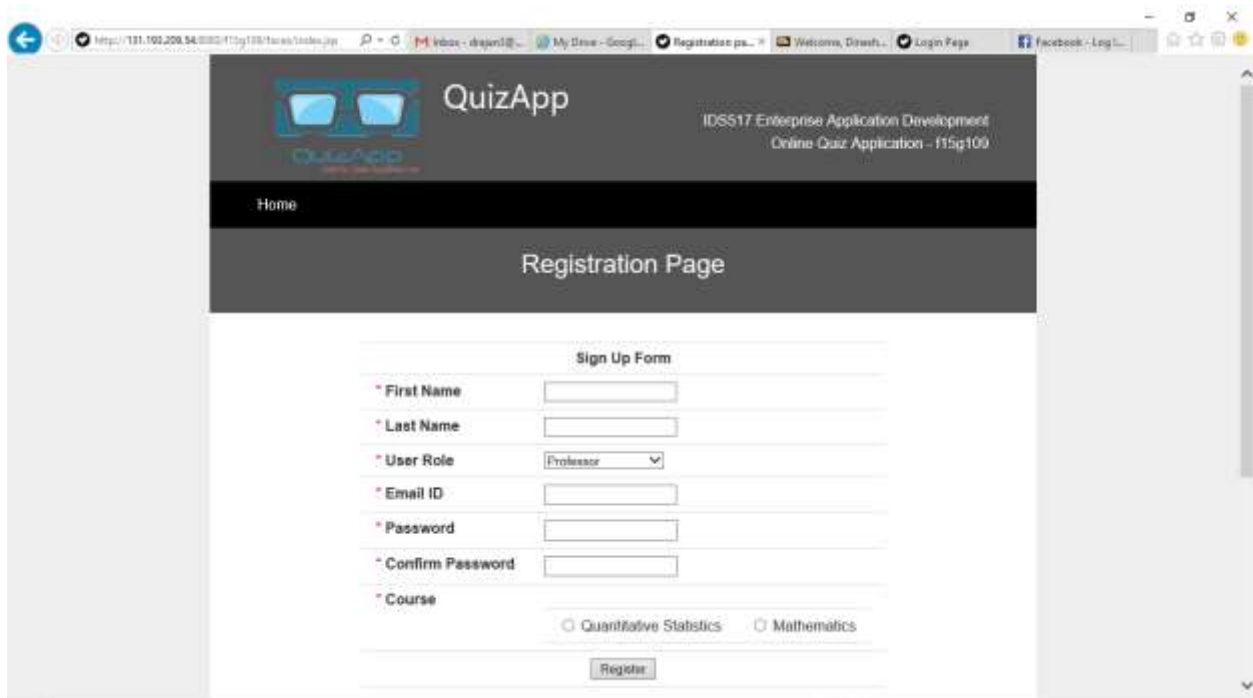

### 1.1 Login failure:

If the username or password entered does not match the one entered during the registration process, the user is prompted to enter the username and password again.

### 1.2 Login success:

Based on the type of user, the next page will be Professor, Teaching Assistant (TA), Tutor or Student.

## 2. New User Registration:

The screenshot shows a web browser window displaying the 'QuizApp' registration page. The page has a dark header with the 'QuizApp' logo and text: 'IDSS17 Enterprise Application Development' and 'Online Quiz Application - f15g109'. Below the header is a navigation bar with a 'Home' button. The main content area is titled 'Registration Page' and contains a 'Sign Up Form'. The form fields are: 'First Name', 'Last Name', 'User Role' (a dropdown menu with 'Professor' selected), 'Email ID', 'Password', 'Confirm Password', and 'Course'. The 'Course' field has two radio buttons: 'Quantitative Statistics' and 'Mathematics'. A 'Register' button is at the bottom of the form.

Professor, Teaching Assistant and Tutor can register as a new user. To register as a new user, enter the following details (all fields are required):

- **First Name:** Enter your first name. Example: Dinesh Kumaar
- **Last Name:** Enter your last name. Example: Rajan
- **User Role:** Select your role from the drop down list. Professor, Teaching Assistant or Tutor.
- **Email ID:** Enter your UIC email id. It should be of the form xxxxxx@uic.edu. No spaces are allowed. Example: drajan3@uic.edu If you are an already registered user, you will be notified regarding the same. Already registered users can go to home page by clicking on the home button on the top of the screen. You can enter username and password to login.
- **Password:** Enter a password of your choice. Passwords should be 6 to 10 characters long.
- **Confirm Password:** Enter the same password that had been entered in the previous field. If the two fields differ, then you will be prompted to enter the password again.
- **Course:** Select either of the courses from the checkboxes.

The screenshot shows a web browser window with the address bar displaying `http://131.100.209.54:8080/115g105/taas/registration.jsp`. The page title is "Registration page". The main content area is titled "Registration Page" and contains a "Sign Up Form".

The form fields are:

- \* First Name:
- \* Last Name:
- \* User Role:
- \* Email ID:
- \* Password:
